Public Notice #07-005-TV-C

Date: January 17, 2007

### **NOTICE OF A DRAFT AIR CONSTRUCTION PERMIT**

**J.W. ALUMINUM COMPANY  
435 OLD MOUNT HOLLY ROAD  
MOUNT HOLLY, SOUTH CAROLINA  
(BERKELEY COUNTY / REGION 7 CHALRESTON EQC OFFICE)  
AIR PERMIT NO. 0420-0033-CO**

J.W. Aluminum Company (JW) has applied to the SC DHEC for a construction permit to burn waste fuel oil and establish federally enforceable emission limits at its existing aluminum coil and sheet manufacturing facility. A draft construction permit and engineering calculation sheets have been written by the BAQ outlining the proposed project and applicable regulations. This permit will enable the facility to operate in compliance with State and Federal Air Quality Regulations. The draft permit has not yet been approved and is open to comment from the public, affected states, and the United States Environmental Protection Agency (EPA).

JW is proposing to burn waste fuel oil in the melting furnaces instead of the holding furnaces. If this permit is approved, federally-enforceable emission limits of less than 57.83 tons per year (TPY) of sulfur dioxide and less than 94.36 TPY of Nitrogen Oxides will be established at the facility thereby enabling it to remain below the significant increase levels of Prevention of Significant Deterioration (PSD) major source thresholds. Additionally, this permit will be incorporated into the facility's Title V Operating Permit with no additional public comment period, provided all public participation and EPA requirements were met with notice of the construction permit action. All emissions limitations and conditions in the draft construction permit have been written in accordance with the SC Title V Operating Permit Program.

Interested persons may review the materials drafted and maintained by DHEC for this facility and submit written comments on the draft permit by February 15, 2007, to Veronica Barringer at the above DHEC address. All comments received by February 15, 2007, will be considered when making a decision to approve, disapprove, or modify the draft permit. Where there is a significant amount of public interest, DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to Donna Moye at the above DHEC address or by e-mail at: [moyedd@dhec.sc.gov](mailto:moyedd@dhec.sc.gov). If a public hearing is requested and scheduled, notice will be given in this newspaper thirty (30) days in advance. A final review request may be filed after the permit decisions have been made. Information regarding final review procedures is available from DHEC's legal office at the above address or by calling (803) 898-3350. Information relative to the draft permit will be made available for review through February 15, 2007, at the DHEC Columbia Office listed above and at the following location:

SC DHEC, Region 7 Charleston EQC Office, 1362 McMillan Avenue, Suite 300, Charleston, SC 29405 at (843) 740-1590

**The BAQ maintains a county-based mailing list of persons interested in receiving notification of BAQ public notice actions. If you would like to be added to this list, please submit a request with your name, address, and counties of interest to Donna Moye at the above DHEC address or e-mail.** Information on permit decisions and hearing procedures is available by contacting DHEC at either address listed above. Copies of a draft permit or other related documents may be requested in writing at a \$.25 per page charge. Please bring this notice to the attention of persons you know will be interested in this matter.

This public notice may be viewed through February 15, 2007 on DHEC's website at:
